

## Statement of Compliance

Manufacturer's Name: \_\_\_\_\_ Dynisco Instruments \_\_\_\_\_

Product Name/Type: \_\_\_\_\_ ATC990 Controller \_\_\_\_\_

Model Number(s): \_\_\_\_\_ ATC-xxx (all models) \_\_\_\_\_

The above product complies with the following:

- EMC Directive 2004.108.EC – Electromagnetic Compatibility

(Support documentation may or may not accompany this statement)

## DECLARATION OF CONFORMITY

### ATC and UPR

This document declares that the product identified above conforms to the essential requirements specified in the European Directive on Electromagnetic Compatibility 2004/108/EC and the European Low Voltage Directive 2006/95/EC.

This product is manufactured at the premises of West Control Solutions, The Hyde Business Park, Brighton, East Sussex, BN2 4JU, England, UK.

The assessment of conformity has been made using the standards route to compliance. The standards this product is compliant with are listed below: -

**EN 61326-1:2006 Electrical equipment for measurement, control and laboratory use — EMC Requirements — Part 1: General**

This product has been evaluated as Class B equipment suitable for operation in Industrial Locations against this standard.

**EN 61010-1:2010, Safety requirements for electrical equipment for measurement, control and laboratory use.**

This declaration is made for and on behalf of Danaher by Stephan Sommer, who has been designated as the responsible person for the purpose of the regulations.
